SUBJ: ABC Coke's Request for Time Extension

Dear Mr. Poling:

The U.S. Environmental Protection Agency Region 4 is in receipt of your letter dated February 21, 2012, in which ABC Coke requests a response extension of 60 days to EPA's January 10, 2012, Section 114 request for information. EPA's request for information was received by ABC Coke on January 19, 2012, and required a response in 45 calendar days (due date of March 5, 2012). In consideration of your circumstances, EPA is willing to work with ABC Coke in order to ensure a complete response.

EPA has already received item number 5 from ABC Coke on March 1, 2012, and has been advised that sampling will be conducted from March 5, 2012, to March 15, 2012, in order to respond to items 6 and 7 of the Section 114 information request. EPA understands that on **March 9, 2012**, ABC Coke will submit all available responsive information in relation to items 12, 24, 25, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37 and 38 of the Section 114 information request. At this time, EPA is granting an additional three tier response plan. On or before **March 19, 2012**, ABC Coke will submit item 19. On or before **April 16, 2012**, ABC Coke will provide responsive information to items 8, 13, 15, 17, 21 and 26. On or before **May 4, 2012**, ABC Coke will provide responsive information to items 1, 2, 3, 4, 9, 10, 11, 14, 16, 18, 20, 22 and 23.

Should you have any questions regarding this letter, please feel free to contact me by telephone at (404) 562-9099 or by email at radford.nicole@epa.gov.

Sincerely,

Nikki Radford, Environmental Scientist
North Air Enforcement Section
